

"Having Dr. Daggett was an excellent choice—he alone was worth missing work for."

Comfort Inn Mineral Point, WI

- **How can Wisconsin's businesses and schools work together to maintain a vibrant economy as we grow our workforce?**
- **What must we fundamentally change so we can build on our strengths in new and innovative ways?**
- **How can we be ready to develop the types of industries that keep Wisconsin on the cutting edge?**
- **How can we ensure that our state is a destination of importance for businesses and their employees?**

These questions can only be answered by business, education, government, and community advocates who understand that a new day is dawning. That day will be won by those who learn to leverage their strengths and collaborate as partners to achieve success.

Join us as we focus on this very important task at the Business & Education Summit on October, 12, 2006. Hear world-renowned expert Willard R. Daggett, Ed.D., President of the International Center for Leadership in Education, as he makes the case for the profound changes taking place in our world and in our workplace that require educators, business, government, and parents to join together in an unprecedented partnership to prepare students for the future.

"The world our kids are going to live in is changing four times faster than our schools."

~Willard R. Daggett

Agenda

- | | |
|-------------|---|
| 8:00—8:30 | Registration & Continental Breakfast |
| 8:30—8:45 | Welcome
~Governor Jim Doyle invited |
| 8:45—10:15 | Preparing Students for Their Future
<i>The future is being shaped by four mega trends—globalization, demographics, technology, and changing values/attitudes. Dr. Daggett will discuss these trends and their impact on students, schools, and society.</i> |
| 10:15—10:30 | Break |
| 10:30—12:00 | Technology, Work, and Our Growing Skills Gap
<i>Dr. Daggett will present an in-depth look at our changing economy and workplace and lay out specific actions that education and business must take on behalf of students to ensure their success in the 21st century work world.</i> |
| 12:00—1:00 | Lunch
~Elizabeth Burmaster invited |
| 1:00—2:30 | Rigor and Relevance in Academics
<i>Highly successful schools have academically rigorous curricula that also incorporate real-world relevance. This presentation will provide an in-depth look at the Rigor/Relevance framework which has become a cornerstone of curriculum and instruction for schools throughout the country and abroad.</i> |
| 2:30—2:45 | Break |
| 2:45—3:30 | <ul style="list-style-type: none"> • Where do we go from here? • Presentation of Grant Opportunities |

The Business & Education Summit will be held at the Comfort Inn, Mineral Point, WI. A block of 20 rooms has been reserved for those traveling from out of town. Mention "Dr. Daggett" to receive a special room rate of \$49.95. For reservations, call (608) 987-4747. If you are tax exempt, please present your tax exempt certificate or number at check in.
